Good day everyone!

Greetings and a warmest welcome to our Jun 2024 issue of our SCBA Newsletter.

We are still very much thrilled in bringing you once again, the most anticipated newsletter in this "BRIDGE" world. Hence please do take some time off to get to know this wonderful newsletter and feel free to leave any comments on the articles to share your thoughts, we would be deeply appreciated.

Just before we commence, a little blessing wishes to all, for the holiday happening in this "Jun" month

Selamat Hari Raya Haji - Wishing all having a holiday filled with light, love, and growth!

As we often say, Life is just like bicycle, to keep your balance, you must keep moving. With just one small positive thought in the morning, it can change your whole day. Remember, if you change your mind, you can change your life. Happiness is not by chance, but by choice. The greatest glory in living lies not in never failing, but in rising every time we fail. Only in the darkness can you see the stars. If you are thinking positive during negative times, you have already won the battles! Have a great day ahead! Cheers!

With this issue, we are thrilled to announce that we had successfully concluded our great Singapore National School Teams Championships 2024. We would like to thank everyone for their kind participation and we sincerely hope that you guys do enjoy these GREAT funs with us. Many thanks !

Last but not least, we would also like to thank everyone for the past patronage and looking forward to your continuous supports once again. CIAO !

With warmest regards / Gerald

# 3 President's Message

Dear Bridge friends and members of SCBA,

I wanted to share some insights from a recent report that resonated with me and will interest us all.

The [BAMSA Summary Report 2024](#), titled "A Sociological Study on Promoting the Mindsport Bridge", provides a comprehensive sociological study on promoting Bridge. The report highlights the decline in the popularity of Bridge since its peak in the 1950s and emphasizes the need for a rebranding of the sport, particularly to attract younger players. In particular, three pointers stand out to me:

(1) Invest in marketing. Traditional card games like Bridge face stiff competition in our rapidly changing world, where digital entertainment options are abundant. Bridge has an "image problem" with little presence on social media for today's digital citizens; and struggles to present itself as an exciting and accessible pastime to the younger generation. Perhaps we should also reflect how much we are willing to share with others that we play Bridge and would like others to try too.

(2) Learn to be more tolerant. Worldwide, there is a general culture of intolerance and poor behaviour in some clubs. First impressions matter a lot and unfortunately, negative behaviours and attitudes will hinder the retention of new players. Our new policy and guidance is only the first step but what is needed is a change of heart on the matter. Our identity should not be about how skilled we are as Bridge players, but on being blessed to experience the sport that we enjoy such that we can share this with others.

(3) Rethink some aspects of teaching. Bridge has a very steep learning curve, and attrition rate is already very high. Our objective with teaching beginners should primarily be helping them to appreciate Bridge as a mind sport, not to immediately make them good players. This will go a long way towards empowering them to learn the sport themselves and promote Bridge in their own words.

The future of Bridge is in our hands. We can shape the narrative and ensure the survival of this wonderful mind sport for future generations. Let's embrace this challenge together and make Bridge a game for all.

# 4 President's Message

I am also pleased to announce that both our Asian Games Mixed and Ladies team have won the meritorious award at the recently-concluded Singapore Sports Awards hosted by the Singapore National Olympic Council. This places them on par with the achievements of many more well-known Team Singapore athletes competing in the traditionally well-known sports. You can find the photos in our [Facebook Page](#). The winners are:

Ladies: Leong Jia Min, Li Lan, Lim Jing Xuan, Low Siok Hui, Jazlene Ong and Selene Tan

Mixed: Lam Ze Ying, Loo Choon Chou, Luo Cheng, Seet Choon Cheng, Gideon Tan and Tan Sock Ngin

At the end of this month, we will be sending two men's teams to the ASEAN University Games held in Surabaya, Indonesia. The teams consists of:

Team 1: Timothy Wu, Teo Xue Heng, Gao Heng and Bryan Yang

Team 2: Koh Han Wei, Leong Hung Rey, Russell Siew, Jerald Kiew, Eron Tan and David Lam

Some of the members will also be participating in the men's pairs event. Please wish both teams the best of luck! Finally, I would like to update you regarding Pesta Sukan Bridge Championships.

I understand many are asking for updates regarding the largest domestic event on our calendar. Given a significant number of events being held from July to September, most notably SEABF which used to be held every December, we have decided to host Pesta Sukan in December 2024. At the same time, we are still trying to secure the preferred venue from our partner. This venue is cost-effective and large enough to accommodate more teams, which fits into your two main considerations – entry fees and amount of participation. The fallback option would be to host the event in the SCBA clubhouse, which we want to avoid. Hence, we seek your patience and understanding as we work out the details before making a formal announcement. Thank you!

## Policy & Guidance on Weekly Games @ SCBA

To promote a Safe Sport culture in the SCBA clubhouse, the Competition Secretaries and the President have decided to tentatively implement the following policy in SCBA from **1 Apr 2024**:

1. (Weekly Social Games) No new boards are to be played with less than 4 minutes remaining in the round. All pairs are to be assigned an average for all unplayed boards, **without any further negotiation or expression of displeasure by any party.**

While we understand that several players want to play as many boards as possible, we cannot allow the entire session to be dragged on due to actions by a minority of players. This is especially compounded during evening games when both transport and safety for the senior players become an issue. At the same time, while it is possible in theory for Directors to ascertain the degree of responsibility by each pair for slow play, this discussion is unfruitful for the dynamics on the table and overwhelms the Director especially if he/she is also playing.

2. (All events) Players are **empowered to gently point out improper conduct** on the table to the offending party. They should call the director if the resolution is unsuccessful. The director should attempt to settle such cases within the session with no further rectification. However, if the incident is serious, this should be escalated to **SCBA's Safeguarding Officers (Amy, Raj).**

Improper conduct includes but is not limited to: (a) Commenting on the skill level of opponents on the table, **especially if they are weaker**; (b) Excessive provision of unsolicited advice to opponents; (c) Taking advantage of newer players by providing non-existent "table rules" or opportunistically calling the Director; (d) Calling the director for any minute break in tempo that most likely causes no UI; (e) Making weaker opponents feel at fault that they have been playing too slowly and do not belong in any weekly games; and (f) Any other behaviour that causes physical, emotional or psychological damage. Directors are to exercise professional judgment and common sense in determining the severity of each case.

We seek the understanding of the stronger players as we must protect the long-term interest of the sport. As SCBA is operating in a public, inter-generational environment, players are advised to be sensitive to cultural differences between each generation and be always mindful of their behavior in the clubhouse.

## Donations to SCBA

**Enjoy a 250% deduction on taxable income by donating to SCBA.  
Qualification for tax deduction is valid until 28 January 2027.**

### Types of Tax Deductible Donations Available

1. Unrestricted donation to one of our three funds: General Fund, Bridge Development Fund, National Bridge League Fund
2. Restricted donation to set up a new fund for purposes dictated by the donor (SCBA will inform and seek the donor's opinion if the fund cannot be used)
3. Donations to name SCBA's events or programmes;
4. Donations where SCBA or its approved beneficiary acknowledges the donation by including the donor's name or logo in the SCBA's collaterals (e.g. banners, publications, advertisements). Examples would be Pesta Sukan Bridge Championships and future iterations of SEABCC and APBF if they are held in Singapore.

### Claiming Tax Deductible Donations

Tax deduction is given for donations made in the preceding year. For example, if an individual makes a donation in 2023, tax deduction will be allowed in his tax assessment for the Year of Assessment (YA) 2024. The tax deductions for qualifying donations will be automatically reflected in the donor's tax assessments based on the information from the IPC (such as the donor's name, date and amount of donation on the tax deduction receipt).

**To donate to SCBA, please approach our club manager for more details.**

### World Bridge Federation: Small Federations Open Teams 2024

**Note: this is an ONLINE event**

In May 2024 we wrote to you about our plans to stage a new event. It was good to get so many survey responses. We can now provide you with details of the event.

Our objective is to provide accessible and affordable bridge for member nations of the WBF. Online bridge in a secure, monitored environment has proven to be a successful approach.

#### 1. Format and cost

This event is an open representative teams event for small NBOs, with free entry for the participating NBOs. In future years an entry fee may be charged.

Each nation can enter one team. We will ask the participating NBOs to provide a suitable venue, and we will describe how we want you to implement monitoring.

Please note this is an official World Championship, and all tables will be recorded, monitored and potentially broadcast in line with standard WBF promotion and integrity requirements.

#### 2. Dates, matches, and more

The championships will be held over these days: **12 to 15 December, and 19 to 22 December.**

Teams can have up to 8 players. This is an open event, and you can have any player older than 16 take part. All players must be members of your federation, and in good standing.

The teams will not all be playing at the same time. Not every team will be playing on the same day. We are aware that the weekend is not the same in all nations. This has been taken into account in the scheduling system. Each team will have a schedule of dates and times, showing their opponents for each round.

No team will play any earlier than a normal start time in their **own** time zone (typically 9 am), and will complete their matches no later than a normal end time in their **own** time zone (typically 11 pm).

Each team will play **12 matches**; each match will be **12 boards**. Each match will be allocated 75 minutes, with 15 minutes between matches for teams that are also playing the next match.

Scoring: **standard WBF VP** scale. The winner will be the team with the most VPs.

The playing platform is RealBridge. There will be several opportunities to practice using the RealBridge platform in the weeks leading up to the championship dates.

Headquarters :  
Maison du Sport International – 54 av. de Rhodanie – 1007 Lausanne – Switzerland  
Tel. +41 21 544 7218 – email: [communications@worldbridgefed.com](mailto:communications@worldbridgefed.com)

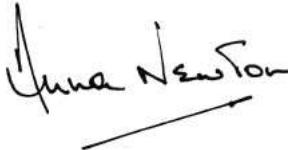

### **3. What we would like you to do now**

Take note of the dates. Inform your players of the event.

Once the microsite is ready, it will provide the standard method for registration, and details of the conditions of contest.

On behalf of my colleagues, the organising committee, we look forward to your participation.

Kind regards
